Rajkot, April 1, 2024: Rajoo Engineers Ltd, a pioneering force in the field of plastic processing machinery, has been recognized with the prestigious SIES SOP STAR 2023 Award for their groundbreaking innovation, the PENTAFOIL-POD-AX, the five layer (POD) blown film line for flexible packaging. The award from South India Education Society School of Packaging, Mumbai (SIES- SOP), presented in acknowledgment of excellence in import substitution and 'Make in India' initiatives, highlights the transformative impact of Rajoo's indigenous technological advancements.

Khushboo Chandrakant Doshi, Managing Director of Rajoo Engineers Ltd, expressed her delight on receiving the Award, saying, "We are honored to receive this prestigious award, which underscores our commitment to innovation and self-reliance. The PENTAFOIL-POD-AX is a testament to India's manufacturing prowess and our dedication to fostering indigenous technological advancements. This recognition further motivates us to continue pushing the boundaries of excellence in the field of plastic extrusion machinery. The team has worked relentlessly towards continual product development and innovation to enable us to offer not just new products but help us evaluate the customers' needs and endeavor to meet them and walk the extra mile ensuring customer satisfaction."
