History ever highest Export Order booking during the year 2023

Rajkot, 11th August, 2023: Rajoo Engineers Limited (BSE: 522257), amongst leading plastic extrusion machine manufacturers in India, with nearly 35 years of “excellence in extrusion” in the industry, announced that the Company has secured new orders of total ₹ 137.20 crores during first half of the year 2023. The Company has achieved export order booking ₹ 106.51 crores (*USD 13 million*) during this period which is history ever highest export order booking in any calendar year by the Company.

The pending order book of the Company as on 31st July, 2023 is ₹ 190 crores which includes pending Export Orders of ₹ 95 crores (*USD 11.63 million*).

About Rajoo Engineers Limited

Based in Rajkot, Rajoo Engineers Limited, having made a modest beginning in 1986, has today emerged as an undisputed global player in blown film and sheet extrusion lines. Owing to its focused efforts in blown film, sheet extrusion lines and Thermoformers, the Company enjoys a premium market position in this segment. Being a technology driven Company, product innovations, world-class quality, state-of-the-art workmanship, increased energy efficiency and high levels of sophistication and automation have become the hallmark of Rajoo products during all these years, positioning the Company's products on a global platform, competing with the established world leaders. With representations in many countries of the world and customers in over 70 countries, the Company's exports have multiplied after its debut in the international market in 1990. (www.rajoo.com)
