The decision to expand was catalyzed by Rajoo Engineers' strategic acquisition of an adjoining 2620.85 sq. meters of land in September 2023 and October 2023, enabling the company to further enhance its production infrastructure. The Bhumi Pujan ceremony, a traditional groundbreaking ritual, was conducted on 28th September 2023, marking the formal initiation of this ambitious expansion project.

The new factory shed is poised to become a cornerstone in Rajoo Engineers' quest for technological advancement and operational efficiency. It will house state-of-the-art machinery, fostering an environment conducive to research, development, and manufacturing of high-quality plastic extrusion solutions.

### About Rajoo Engineers Limited

Based in Rajkot, Rajoo Engineers Limited, having made a modest beginning in 1986, has today emerged as an undisputed global player in blown film and sheet extrusion lines. Owing to its focused efforts in blown film, sheet extrusion lines and Thermoformers, the Company enjoys a premium market position in this segment. Being a technology driven Company, product innovations, world-class quality, state-of-the-art workmanship, increased energy efficiency and high levels of sophistication and automation have become the hallmark of Rajoo products during all these years, positioning the Company's products on a global platform, competing with the established world leaders. With representations in many countries of the world and customers in over 70 countries, the Company's exports have multiplied after its debut in the international market in 1990.
