

RAJESH N. DOSHI

Chairman & Founder, Rajoo Engineers Ltd.

Rajesh N. Doshi, fondly called as 'Rajoo', is the man behind the name and the spirit of Rajoo Engineers Ltd. In 1986, with nothing more than courage, clarity and his brother by his side, he transformed a modest dream into a reality that redefined India's extrusion industry.

RETRO

Change being the only constant, we thought it would be wonderful to capture this and freeze 'time'. We associate with the 'current look' of our industry colleagues and would it not be exciting to know of their persona, decades ago. That's what we did, had them dig deep into their archives and share this just for your 'read'... or should we say 'see'! A visual delight!

RANJIT JADHAV

COO, Plastiblends India Ltd.

With Ranjit, it has always been smiles all the way with whatever he does; be it business or industry service. His prior assignment in 2008, he was with Victor Reinz India Pvt. Ltd. as Head Manufacturing. The industry continues to benefit from his immense experience.
