Connecting, Innovating and Growing at PLASTINDIA 2026

At Rajoo Engineers Ltd., excellence remains the cornerstone of our growth and differentiation. PLASTINDIA 2026 offers a powerful platform to showcase our latest solutions in extrusion technology and strengthen engagements with our partners across the globe. We look forward to connecting with forward-looking businesses, sharing ideas and reinforcing our commitment to quality, sustainability and customer value. The show has consistently proven to be a catalyst for growth - and we are excited to contribute to and benefit from its impact once again.
